Learning Map Model Neighborhood EE.5.PS1-3 : Make observations and measurements to identify materials based on their properties (e.g., weight, shape, texture, buoyancy, color, or magnetism).

Disciplinary Core Idea: Structure and Properties of Matter

Science and Engineering Practice: Planning and Carrying Out Investigations

Superscript numbers indicate the node is also found on the corresponding learning map model neighborhoods:

1 - 5.PS1-2
2 - MS.PS1-2
3 - HS.PS1-2

Blue nodes indicate science or engineering practice skills
